Arndt is an artist of exceptional talent with a strong reputation in the advertising industry. A variety of unique pieces comes from his studio near Hamburg: Larger-than-life or miniature objects, fauna and flora imitations or elegant design objects.

As a master-class student of the Academy of Fine Arts Düsseldorf Arndt has the knowledge and skills of a versatile plastician and an eye for the detail. His creative contributions to photo- or filmproductions make the difference. Furthermore Arndt is a specialist for the prep of a wide range of surfaces and materials like tarmac and ice plus he paints backdrops, has a talent for prop styling and is capable taking care of the art department.
